

WHAT IF EVERY TOAST CAME OUT PERFECT?

Every. Single. Time.

The Advantage Kitchenware
Toaster Story

YOU KNOW THIS SCENE...

It's 8:47 AM on a Saturday morning.

Your breakfast shift is in full swing.
Table 12 wants their toast "lightly
golden." Table 8 wants it "well done,
but not burnt."

Your line cook adjusts the dial... and
three other orders come out wrong.

Sound familiar?

HERE'S WHAT IT'S COSTING YOU

WASTED BREAD ADDS UP FAST

100 slices a day.
That's over **\$1,500**
every year in the
trash.

SLOWED-DOWN SERVICE

Every special order
means stopping the
line, fiddling with
dials.

FRUSTRATED STAFF AND CUSTOMERS

Your reputation takes
a hit with every
complaint.

BUT WAIT...

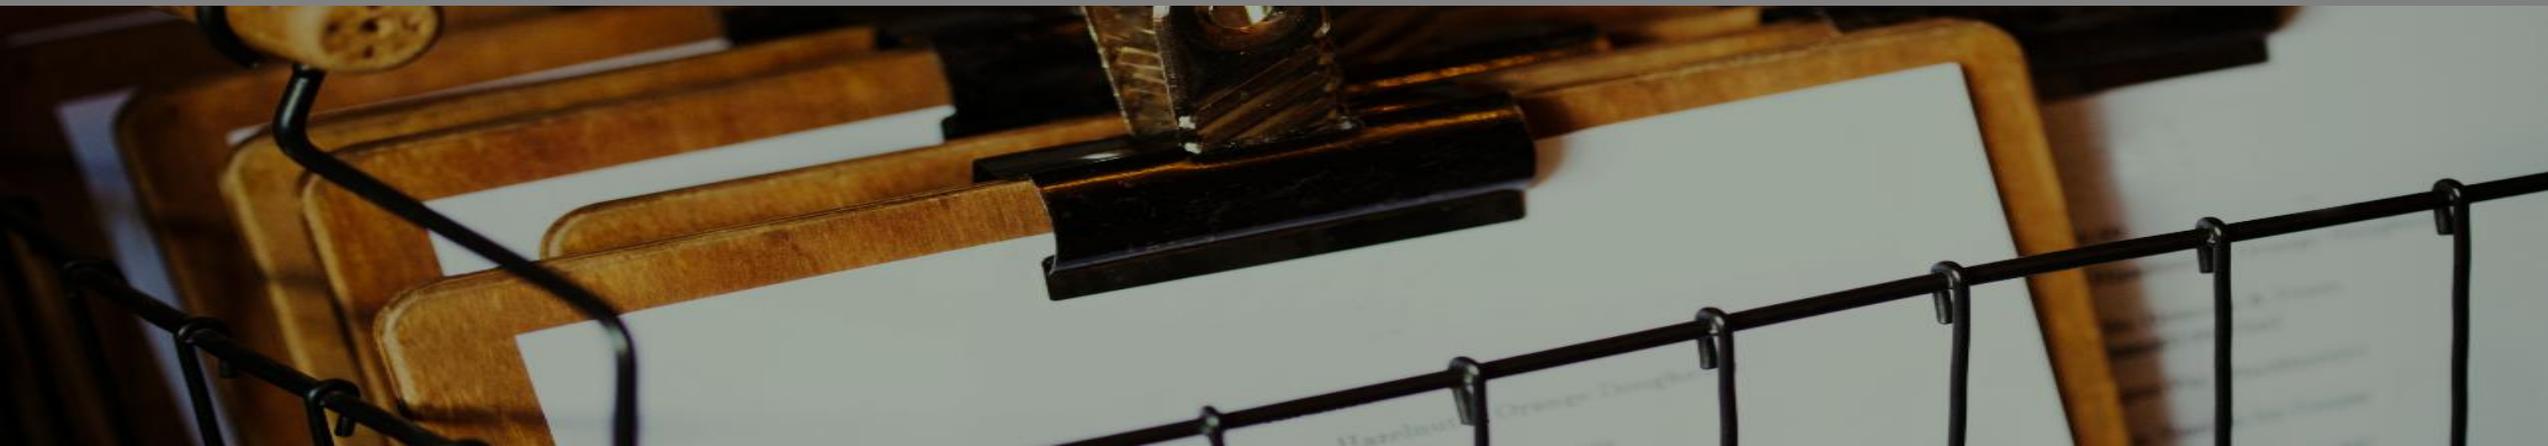

What if there was a better way?

What if you could toast **every single slice** exactly the way your customer wants it...
customer wants it...

Without affecting the slices next to it?

Without slowing down your kitchen?

Now you can.
